

**NOTICE FOR CLASS TEST - I**

Class Test - I for 5th/3rd Sem B.Tech programme will be held from 20th to 22nd September'11 as per schedules given below.

**Group - B**

Date	Branches	5th Sem B.Tech		3rd Sem B.Tech		5th Sem B.Tech		3rd Sem B.Tech	
		1st Sitting				2nd Sitting			
		Time - 02:00 - 03:00 PM				Time - 04:00 - 05:00 PM			
20th September'11	AEI	Principles of Management	Mathematics - III			Microprocessors	Organisational Behaviour	Design of Concrete Structures	Engg. Economics & Costing
	CIVIL					Power Electronics			
	ELECT	Electrical Machines - II				Microprocessors	Organisational Behaviour		
	ETC	Principles of Management				Date Commun. & Computer Networks			
	CSE	Computer Organization				I.C. Engine & Gas Turbines	Engg. Economics & Costing		
	IT					Mass Transfer - I			
	ME	Machine Dynamics				Instrumentation Devices & Systems	Network Theory		
	CHEM	Heat Transfer				Advanced Mechanics of Materials	Fluid Mechanics & Hydraulic Machines		
21st September'11	AEI	Communication System Engg.	Material Science & Engg.	Control System Engg.	Network Theory				
	CIVIL	Transportation Engg. - I	Mechanics of Solids						
	ELECT	Renewable Energy Systems	Material Science & Engg.	Java Programming					
	ETC	Optimization in Engg.	Physics of Semiconductor Devices						
	CSE			Design of Machine Elements	Mechanics of Solids				
	IT	Optimization in Engg.	Material Science	Machining Science & Technology	Fluid Mechanics & Hydraulic Machines				
	ME	Design of Machine Elements	Mechanics of Solids	Process Equipment Design	Fluid Flow & Flow Measurement				
	CHEM	Optimization in Engg.	Material Science	Elements of Biomedical Instrument.	Analog Electronics Circuit				
22nd September'11	AEI	Signals & Systems	Electrical & Electronics Measurement	Advance Numerical Methods	Building Material & Building Construction				
	CIVIL	Surveying - II	C++ & Object Oriented Programming	Data Base Management Systems	Analog Electronics Circuit				
	ELECT	Environmental Engg. & Safety		Advanced Electronic Circuits					
	ETC	Analog Communication Techniques	Electrical & Electronics Measurement	Signals & Systems					
	CSE	Theory of Computation	Object Oriented Programming	Advance Numerical Methods	Int. to Physical Metallurgy & Engg. Mater.				
	IT	Data Mining & Data Ware Housing							
	ME	Automobile Engineering	Data Base Management Systems	Process Instrumentation	Chemical Process Technology				
	CHEM	Environmental Engg. & Safety	C++ & Object Oriented Programming						

  
 12/9/2011  
**PRINCIPAL**
