

NOTICE**Sub:- Class Test – II for 1st Sem M.Tech programme.**

The Class Test – II for 1st Sem M.Tech programme in CSE, IT, ETC, EE, ME, Mechatronics engg. is scheduled to be held from 18th – 22nd January'11. The details of programme for the said test is furnished below for reference. The concerned faculty are requested to send the question paper of their subjects to Exam Cell in a sealed cover on or before 17.01.11 positively.

Date	Branch	03:00 – 04:00 PM
18.01.11	CSE	Advance Computer Arch.
	IT	Software Engg & Development Methologies
	ETC	Modern Digital Communication Techniques.
	EE	Advance Power Electronic
	ME	Advance Fluid Mechanics
	Mechatronics	Mechatronics system Design
19.01.11	CSE	Analysis & Design of Algorithm
	IT	Data Ware Housing & Data Mining
	ETC	Information Theory, Coding & Cryptography
	EE	Power Quality
	ME	Advance Heat Transfer
	Mechatronics	Instrumentation & Control
20.01.11	CSE	Object Oriented System
	IT	Information Theory & Coding Techniques
	ETC	Telecommunication Switching & Networks
	EE	Power Apparatus & System
	ME	Advance Refrigeration & Air Conditioning
	Mechatronics	Applied Electronics & Microprocessor
21.01.11	CSE	Computational Intelligence
	IT	Computational Intelligence
	ETC	Digital IC Design
	EE	EHVAC Transmission
	ME	Energy Conservation. & Management
	Mechatronics	Industrial Control System Engg. or Sensors & Actuators
22.01.11	CSE	Wireless Sensor Network
	IT	Wireless Sensor Network
	ETC	Computational Intelligence
	EE	Power System Analysis
	ME	Thermal & Nuclear Power Plant
	Mechatronics	Digital Signal processing & applications
